- 7.4 (Proposal) Ensuring effective and inclusive meetings (Bill / Fiona / Steve)

Motion: That YPIS P&C Association formally adopt 'Participatory decision making' principles as described in the attached document, also incorporating

- A published guide distributed to all members 'How to raise ideas at the P&C' (to be attached)
- A 60 second healthy meeting checklist (attached) to be conducted briefly at the end of each meeting

7.5 (Idea) Consideration of Meeting time/ venue (Kate Wake)

Idea: Given issues members have had with issues getting on the agenda and adequate discussion, does the P&C need to consider an alternative venue such as the RSL (to relieve the burden on the Principal having to stay to the end and lock up). All matters, decisions relating to the school could be placed at the top of the agenda, followed by any purely P&C matters so the Principal does not have to stay for the whole meeting. Also consideration should be given to returning to 2 hr scheduled meetings (at least once per term) ie 7pm - 9pm as the 1 1/2 hour schedule makes it difficult for general business to be discussed properly once reports are completed, leaving people feeling unfulfilled at the end of the meeting that their item was not discussed.
