

P&C Fundraising report – 25/11/2014

Current/upcoming events:

1. Card/calendar fundraiser a successful event - healthy \$1200.00 or so profit for the school! "Crazy Camel" easy to deal with and very fast turnaround – Kate G now up to speed for next years. (Though next year technically a tea-towel year?!)
2. Nov 15th By- Election – Thanks again to Gemma Codeiro for this very successful event – approximately \$1000 in takings so just waiting on any expenses before 'declare' the profit.
3. Fruity Fiesta – have converted this to a social event with no tickets (just an RSVP for numbers) but option to purchase food on the day. Will have rosters up shortly – just for BBQ and fruit/drinks serving as well as set-up/pack down. 2015 Kindy families have been given the information.
4. March State election – just a reminder to keep this front and centre. Pure Gelato booked so far but not confirmed and have confirmed the use of "Eagle" coffee machine with John Kounas.
5. Will have USB with other info as a hand-over for next fundraising committee on various events that have run.
