

PRINCIPALS REPORT Week 8 Term 2

- **Reports** – being finalised and will go home in week 10. New clearer format and parent friendly language as much as possible. A great deal of time has been taken by staff to personalise comments.
- **Thanks** – in advance for the Trivia night – a huge effort and it is appreciated by all staff, to Neroli Butt for putting in the grant requests, to Maria for volunteering to speak at the Kindy Information Night in week 10.
- **Thanks** – to staff for their efforts with reports and also the mammoth effort they put in to the class artworks to make them so special and unique.
- **Staffing** – Leonie Burr is now working on Thursday as well. School is currently looking to employ a LaST for a day a week.
- **School Plan** – Now working on milestones and evidence to show achievement of goals to put into the plan. This should be done by early next term and will be presented to a future P and C meeting.
- **Outdoor Learning Deck** – Nearly completed. Made for a fraction of the cost by TAFE NSW. Will be utilised for eating time, and for outdoor learning maximising the use of the park.
- We decided not to go with the Expo as it didn't seem like it was a fit for us.
- A brochure and poster was sent out to pre-schools. (Examples were brought to P &C)
