

Fundraising Report – AGM 2015

FC is working hard on the Gala Day on 28 March. Martine is the event coordinator and is doing a strirling job. There will be rides, cakes and fun galore.

This is a great opportunity for new parents to become involved so look out for the rosters which will be up soon.

Planning is not yet scheduled for the year - once the FC coordinator is determined, I will do a full handover and we will determine the year's events.

New kindy parents should know that this is a great way to get involved and to meet other parents.

We have a wealth of resources so to anyone who's interested please know you will get fantastic support from me (Louise) and others!

Last year was hugely successful - particularly for a year without a gala day.

Well done to everyone on the FC and especially to Maggie who stepped in for term 4 and saw the fruity fiesta and other term 4 activities get over the line.

A special *"Wow, you are amazing, what will we do without you"* nod also goes to Kim, Gail, Alison, Effy, Maria and Fiona who have put in so much over so many years.

You will all be sorely missed - not only in terms of fundraising events but also for your general energy and enthusiasm and loveliness.

And to all the people who coordinated an event - a huge high five to you, and to everyone for their time and effort in roles big or small.

Our little school in the park couldn't do it without you.

Louise Gunter
