The Preamble

Welcome to this meeting of the Yeo Park Infants School Parents & Citizens Association.

I would like to acknowledge and pay respect to the traditional owners of the land both past and present upon whose land the P&C meets; the Gadigal and Wangal people of the Eora Nation.

I would also like to pay respect to Elders both past and present of the Eora nation and extend that respect to other Aboriginal people present.

The Yeo Park Infants School P&C is a school –based organisation consisting of parents, teachers and interested citizens.

It exists to bring the school and the community into close cooperation, provide facilities and equipment for the school, promote the recreation and welfare of students, encourage parent participation in educational issues and to share information for the benefit of the school community.

All parents and carers of students at Yeo Park Infants School, as well as citizens living within the boundaries of the school, are eligible to be members of the P&C.

All financial members have the right to stand for office, move motions and vote. More details about the P&C can be found in the big P&C book in the school office and online at the P&C website.

We aim to hold our meetings in a fair and ordered way, allowing for full and informed discussion, staying focused on the item being discussed and respecting different points of view.

Please speak through the Chair, one speaker at a time.

We try to be positive and inclusive: just like our children, we are “learning and growing together”.
