4.4 Presidents	Andrew Ward
<ul style="list-style-type: none"> <input type="checkbox"/> Term three has started off with a bang as far as fundraising is concerned. We are well on track to achieve our fundraising goals for the year. Well done team! <input type="checkbox"/> City 2 Surf – A huge thank you to the Yippies for their efforts in raising an awesome total for the P&C <input type="checkbox"/> Fundraising Support – We really are appreciative of those families who continue to work hard to raise money for the P&C. I would like to extend a further plea to all parents to lend whatever assistance they can to help our fundraising team. They are doing a great job but we need the support of all families. Money raised is directly for the benefit of your children so the more effort we put in, the more programs the P&C will be able to fund outright. <input type="checkbox"/> Cake Day today – Thanks to Jedda for coordinating and everyone else for their help (\$99 made today). <input type="checkbox"/> Education Tax Refund (ETR) – A reminder to all parents that the governments <i>Education Tax Refund Scheme</i> is now defunct and education costs are no longer tax deductible since the scheme was replaced with bonus family payments. <input type="checkbox"/> Local Schools Local Decisions – The <i>Federation of Parents and Citizens Associations of New South Wales</i> have recently resolved their position on the governments Local Schools Local Decisions policy. Essentially they believe that for the decisions regarding the needs of our children to be truly representative of the local area then the P&C Association should have a formal consultative role to play in this decision making process. The full policy paper can be viewed at the Federations web site: www.pandc.org.au.
