5. PRESIDENTS REPORT	Steve Clarke
<ul style="list-style-type: none"> - It was a wonderful Gala Day and we have received lots of positive feedback from both the school and the public, especially given the short notice of the election date. Would especially like to acknowledge the Chai Tent (Sonom Paljor), the music schedule & all the musicians, and to Di Thompson for staying the whole day. Would like to arrange a thank you letter for the man who lent the P.A. system to us for the day. - Steve Clarke has written to Trinity, St Patricks and Ashbury Public asking them to support our campaign for the pedestrian crossing to be installed on Queen Street. We await their response. - In Term 2 the P&C expressed concern of trimming of Broccoli Tree and the lack of consultation, a letter was sent to Ashfield Council and recently Steve received a call from a Parks employee with the general message 'that's the world we live in'.

6.2 Allocation of Canterbury Hurlstone Park RSL \$10,200 donation (Steve Clarke)

The following expenditure allocations were approved for the \$10,200 funding received from CHPRSL

- \$1500 - additional funding for playground artworks / markings on the asphalt
- \$2052 - to school for 50% cost of the gymnastics
- \$3000 - to school for drama classes and story-telling (Aesop)
- \$1148 - to school for general resources as required incl. year 2 graduation books
- \$1000 - to P&C for Broccoli Tree Cinema
- \$1500 - to P&C as required for Gala Day banner, other expenditure (pricing on various items to be brought to the next meeting)

For remaining \$1200 Kerry Lovi suggested some new fold-away tables, new aprons and appropriate power point for coffee machine for future events. Possibly some lights for night events? Kerri to come back with some quotes for consideration.

6.3 Outstanding uniform item. (Karen Roberts)

28 size 8 shirts and one size 6 shirt are left over(a mistake from a previous uniform rep). The P&C decided they should be donated to the school to use as spare shirts (for when a child is sick or to take as spares on excursions etc).

7. SCHOOL ADVISORY

Parents and citizens association

<p>7.1 CCTV cameras (Sonom Paljor) Is there a need for CCTV cameras to be installed at YPIS? Some concern was raised after the Haberfield Public incident. Sonom/Kate Wake to do further research and present back to the P&C.</p> <p>7.2 Hand Hygiene in toilets (Jen Seers via email) Should there be a hand drying option in the toilets? Currently there is nothing for children to dry their hands on after washing. Di Thompson will talk to the staff about increasing children's awareness of good handwashing habits but in the meantime there will be no hand drying options installed.</p>	
<p>Next meeting to be held 9 October</p>
