6. GENERAL BUSINESS	
<p>Question from John Chudleigh regarding the absence of a Music Teacher & whether the P&C was still funding the music programme – Stacey replied and commented that the absence of a Music teacher for part of 2013 was due to very personal reasons for the tutor concerned and that P&C funds not expended for during 2013 would be carried over into 2014. Stacey thanked the P&C and the school community for all their support and for respecting the privacy of the situation.</p>
