

Dear Parents,

Fundraising is a very important function of the P&C.

Money raised by the P&C is used to enrich the educational lives our children through the purchase of equipment or the provision of tuition in specialist areas such as gymnastics and music. We also provide the funds for fun events such as special lunch days, end of term BBQs, buses for excursions and our Annual Easter Egg Hunt.

Last year the money raised by the P&C was spent on 10 new computers for the library, making the library a valuable learning space, a bike rack enabling children to ride to school, and numerous events which build school spirit and a sense of community.

If you have a desire to have to make a positive impact on our children's education by making a donation to the P&C, please fill out and return the form below.
